## NATURE AND BHOOMITRA SENA CLUB

### ANNUAL REPORT 2017-18

#### INTRODUCTION

Nature club and Bhoomitra Sena Club MES college Erumely College was organized in the 2017-18 academic year with the objective of sensitizing, creating awareness, motivating and educating students about environment conservation. The club aims to have an environment-friendly infrastructure to create complete awareness among the students. The Green Campus will bring about positivity among students and improve their well-being. The institute's green campus will serve as the source of inspiration to all to become responsible citizens of this solitary planet and utilize their skills and innovation to protect the existing environment. The concept of green campus promotes sustainable development. Nature club and Bhoomitra Sena Club had observed World Ozone Day, conducted Membership Issuance and celebrated World Environment Day and participated in training programmes.

#### World Ozone Day Observance 2017

World Ozone Day is observed on September 16 every year to spread awareness among the people about the ozone layer depletion. Observance of World Ozone Day at state level was inaugurated on 16th September 2017 at VJT Hall Thiruvananthapuram at 10:30 AM. As part of the programme, a one day training workshop was organised for the teachers in charge of Bhoomitra Sena Club from various colleges and higher secondary schools. The awards for best Bhoomitra Sena Clubs were also distributed in the ceremony. Mr. Hari G, teacher-in-charge of Bhoomitra Sena Club, MES College Erumely, participated in the programme. On the same day, members of Bhoomitra Sena Club, MES College, observed the day at college level.

#### Membership issuance of Bhoomitra Sena club 2017.

Bhoomitra Sena club has been functioning in MES College Erumely for the past five years under the auspices of the Department of Environment and climate change. Making the institutional community aware of the environment and conservation of natural resources is the main aim of this club. As part of activities of Bhoomitra Sena club scheduled for the academic year 2018, a membership issuance to new members was held on 29/11/2017 at 2 PM in the seminar hall. The faculty coordinator Mr. Hari. G introduced the club to new members along with the nature of work Bhoomitra Sena club is engaging in and out of college in association with nature club.

#### World Environment Day Celebration 2017

Nature and Bhoomitra Sena Club, MES College Erumely had organized Environmental Day Celebration and Tree Plantation on 5<sup>th</sup> June 2017. The day is celebrated to promote the importance of Environment Day. In 2017, the theme was "Connecting People to Nature – in the city and on the land, from the poles to the equator". The purpose of Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change. The Nature and Bhoomitra Sena Clubs observed the day by planting trees in and around the college campus.
