NATURE AND BHOOMITRA SENNA CLUB ANNUAL REPORT 2019-20

The club was very active in the 2019-20 academic year. A seminar by eminent environmentalist Vava Suresh, labelling of trees in the campus, are some of them. Mr. Suresh gave an informative speech on snakes in Kerala. Then a demo on how to handle snakes was conducted. This was widely appreciated by students.

Afforestation

Trees were planted on the Erumely College campus in connection with World Environment Day. In connection with 'Van Mahotsav' day, a seminar was conducted and after the session we planted more trees. Trees were also planted on campus under the "Plant a Volunteer Plant a Tree" project. All volunteers have also planted saplings in their homes and taken care to maintain them carefully.

VALICHERIYAL MUKTHA CAMPUS, GRAMAM, NAGARAM

26th June 2019

'Valicheriyal Muktha Campus, Gramam, Nagaram' titled programme was inaugurated in our College. It was inaugurated by Mr. Hari. G., Coordinator of the Bhoomitra Sena Club. An orientation class was conducted by Eldo Varghese., making the volunteers aware about the impacts of throwing unnecessary goods with the lack of care for the environment. Then the volunteers cleaned the campus and they gave awareness in all classes for each student in our college.

College cleaning and maintenance

First, remove the beam out of your own eye, and then you can see clearly to remove the speck out of your brother's eye. By looking at this phrase it is important to clean the college and it's environment. The NSS Unit cleaned the college campus, removed plastics, and protected the agricultural land in the college.
