ACTION TAKEN REPORT 2018 - 2019

As per the feedback analysis from various stakeholders like Teachers, Students, Employers, Alumni and Parents, the following actions are taken regarding curriculum, infrastructure and other parameters.

- In teacher's feedback analysis, around only 64.84% teachers mentioned an average response (Good and Satisfactory) about the question 'The curriculum development procedure needs improvement' and 46% teachers marked an average (Good and Satisfactory) about 'The depth of course content is adequate to have significant learning outcomes'. So it is decided to discuss the matter in next syllabus revision committee.
- Around 31% students are not satisfied with the offering of the electives in terms of their relevance and 40% of Post graduate students who have given feedback about the syllabus consider it is not a need based one, so it is also decided to be discuss in syllabus revision committee.
- Some students have given comments regarding the curriculum and expressed that it is not supporting industry and professional needs. So it is recommended to introduce add-on courses to improve the job skill and communication skill.
