- Conducted orientation class on Article Writing and paper Presentation for MSW and MA Students on 30th January 2020
-

ARTICLE WRITING AND PAPER PRESENTATION

INTRODUCTION

An article is a bridge between fiction and fact. Article writing is a kind of writing that is written to reach a massive audience. Writing a newspaper article or writing a magazine article is not easy. It requires a lot of research and writing skills. It is written in such a way that it can inform the masses about a certain topic. There are some benefits for writing and sharing articles. One of the most prominent aspects of article writing is to learn and gain knowledge from others' experience. Good writers are good readers. Writing gives voice to our inner thoughts and allows us to share them. Writing focuses students on phonics, comprehension, mechanics, developing their voice or perspective, and communicating this perspective to others. It is necessary to give an orientation on "Article Writing and Paper Presentation ".Balanced Literacy focuses on developing the many skills that good readers and writers possess, in an authentic method of communication. Writing makes for better readers and improves comprehension and critical thinking.

TECHNICAL SESSION

The Department of Economics in collaboration with the Social Work Department conducted an orientation class on "Article Writing and Paper Presentation "for MSW and MA Economics students on 30th January 2020.The class was organized in two sessions. First Session was handled by Mr.Harikrishnan, Assistant Professor of Department of Social Work. He gave detailed explanation of different phases of Article Writing. It includes methods and types of Article Writing. There are

various types of article writings. These are writing a newspaper article, writing a magazine article, SEO article writing, online article writing, freelance article writing, and many more.

There are divisions among these articles also. Some of the articles, like online article writing, freelance article writing, can be descriptive, or narrative that depends upon the writer and the client for whom the writer works. There are a few types of article writing that most people know about. It includes narrative and descriptive type but there are many more types other than these two. These are persuasive article writing and expository article writing.

The most important among the types of article writing is SEO article writing. It has gained huge demand for this new generation. SEO article writing is nothing but the search engine optimization of the article that is written. The question that may arise here is how one can ensure that one's article has achieved its goal. Keywords refer to important words of the article that could be used several times in a paragraph or in the article to highlight the importance of the word.

The second session was handled by Dr.Rakhi Chandrasekhar (HOD of the Department of Economics). She explained the different ways of Paper Presentation. She gave some tips for PowerPoint Presentation: Be brief and concise. Focus on the subject. Attract attention; indicate interesting details.

If possible, use relevant visual illustrations (pictures, maps, charts, graphs, etc.).Use bullet points or numbers to structure the text.Make clear statements about the essence/results of the topic/research.

The Orientation Class inculcates the students to be aware about 'Article Writing and Paper Presentation '.Vote of Thanks was done by Mr.AbilanRaj (AssistantProfessor, Department of Economics)

- Conducted a Quiz Competition on the basis of union Budget 2020 on 6th February 2020

UNION BUDGET- 2020

INTRODUCTION

According to Article 112 of the Indian Constitution, the Union Budget of a year, also referred to as the annual financial statement, is a statement of the estimated receipts and expenditure of the government for that particular year. The Union Budget of India for 2020–2021 was presented by the Finance Minister, Nirmala Sitharaman on 1 February 2020, as her second budget. This is the second budget of Narendra Modi-led NDA government's second term. The Economic Survey for 2019–2020 was released on 31 January 2020, a day before the budget.

The central ideas of the Budget are "Aspirational India, Economic development, A Caring Society". These three broad themes are connected by governance that is corruption free and a financial sector that is clean and sound. Notably, Nirmala Sitharaman read out a Kashmiri poem[a] during the budget speech in the Parliament, a Tamil couplet written by Thiruvalluvar and a verse from the Sanskrit work Raghuvamsam as well as a French phrase. Some of the aims announced were "improving digital governance, physical quality of life, disaster resilience and social security reach".

At 2 hours and 41 minutes, the budget speech was the longest ever delivered by a Finance Minister of India. Nirmala Sitharaman is also only the second woman to present the budget for a second time after Indira Gandhi. Quiz competition on

budget helps the students to understand the efficient governance and factors that help to achieve economic stability in the country.

Report of quiz competition

In association with IQAC, the Department of Economics had conducted a Quiz Competition on Union Budget 2020 for the students of various departments of our institution. Before the competition news bulletin on Union Budget 2020 was circulated to all departments. The competition was held on 6th February 2020 from 10.30 A.M to 12.30 P.M. 30 teams were registered and 28 teams participated. 5 were selected from these 28 teams through a screening test for the final rounds. Bijitha and Gayathri Mohan of 1st year M.Com Finance & Taxation and Anju Maria Varghese & Abhilash Christy D.S of 2nd year MSW won the first and second prize respectively.

Certificates were distributed to winners.

• Teachers day celebration on September 5, 2019

Teachers' Day is a special day for the appreciation of teachers, and may include celebrations to honour them for their special contributions in a particular field area, or the community in general. September 5th is the birth anniversary of a great teacher Dr Sarvepalli Radhakrishnan, who was a staunch believer of education and was a well-known diplomat, scholar, the President of India and above all, a teacher.

The Department of Economics observed Teacher's Day on 5th September 2019 from 10 am to 11 am. Students decorated the Class and Department very well. The programme was inaugurated by Dr. Rakhi Chandrasekhar. She explained the importance of 'Guruvandhanam'. The inspiring story of our former President of our nation Dr. APJ Abdul Kalam makes the day the most special. Students discuss inspiring the teachers in their life. Vijitha Gopalakrishnan sings a poem on 'Gurusmarana'. Students presented gifts to teachers. Vote of thanks was delivered by Mrs. Mubeena Gafoor (Assistant Professor) Department of Economics.

Onam celebration

Onam is our National Festival. This is a moment of enjoyment, dances, songs, games, food, maveli and photographs. On this very day all students and faculties follow the Onam dress Code. The wishes and Celebrations get more exciting with the Onam Sadhya. It is the special food with nearly 10 members of curries served in banana leaves and also payasam. The students participated different programs and games like Malayali Manga, Onapattae, Uriyadi etc....

• Christmas celebration

Christmas celebration is one of the celebrations at creative Hut. It is the session of Joy, greetings, cakes, gifts and fun. The Celebration includes a rhythmic

presentation from the college choir as well as an add-on surprise package by Santa Clause. The staff, faculties and students together celebrate a Christmas. Students prepare a different and creative Christmas crib. On this Occasion, students sing Christmas Carols and songs too.Santa Claus entertains the gathering with singing and dancing. Furthermore, Chocolates and balloons are shared. Even more, every creative hut family member presented the gifts to their Christmas Friend. Truly, Christmas is the time when all dear and near ones gather together to share love and Joy.

SEMINAR REPORT

Two day Seminar on “Environmental Accounting and Green Practices “ for PG Students of MES College Erumely was Conducted on 14th& 15th February 2021 by Economics Department , In Association with IQAC MES College Erumely. The First Session was a lecturing session lead by the Resource person, Dr.Reshmi , Assistant Professor, Jain University Kochi Campus at 10 a.m Onwards . The Afternoon session was Paper presentation Competition for all facilities of MES College Erumely on Green Practices. In the Second Day , we Conducted a Paper presentation competition on Environmental Accounting and Green Practices for all PG Students of MES College Erumely.

Date: 14th and 15th February

INTRODUCTION

The Seminar Commenced with recorded College Prayer followed by a welcome from Dr. Ashok Kumar (Director, Research Form) .In his Speech, He highlighted the importance of Environmental Accounting and Green Practices In her, Presidential Address, Dr.Rakhi Chandresekhar , HOD Department of Economics talks about the Implications of Green Auditing in the Present Scenario.

Jb. P H Najeeb(Chairman, MES College Erumely) Inaugurated the Programme. In her Key Note Address Prof.Maheen M N (Principal, MES College Erumely) highlighted that Green Practices are Environmental friendly actions, Which can help to Environmental Protection and Sustainability Development. All students from PG Department Participated in the Programme.

TECHNICAL SESSION

The Technical Session on “ Environmental Accounting and Green Practices “ was delivered by the Resource person Dr.Reshmi , Assistant Professor, Jain University Kochi Campus .She explained the Concept of Green Auditing . She explained that Building a nation starts from its educational institutions, where ecology is a prime factor of development associated with environment. A clean and healthy environment aids effective learning and provides a favourable learning environment. Institutional self-inquiry is a natural and necessary outgrowth of quality of higher education.

Further she highlighted the importance of Green Auditing. In its pursuit for improving environmental quality and to maintain a pristine environment for the future generation of students, so the colleges has made a self-inquiry on environmental quality of the campus with the following objectives: (i) To establish a baseline of existing environmental conditions with focus on natural and physical environment; (ii) To understand the current practices of sustainability with regard to the use of water and energy, generation of wastes, purchase of goods, transportation, etc; (iii) To promote environmental awareness through participatory auditing process; and (iv) To create a report that document baseline data of good practices and provide future strategies and action plans towards improving environmental quality for future.

She Concluded that To preserve the environment within the campus, various viewpoints are applied by the several educational institutes to solve their environmental problems such as promotion of the energy savings, recycle of waste, water reduction and water harvesting .
