LOTION BOTTLE DISTRIBUTION TO THE FLOOD AFFECTED AREAS

Students collected empty plastic bottles from the students and from nearby places of our college. Then sorted the bottles into one litre and half litre and one litre bottles used for filling cleaning lotions and half litre bottles for Dishwash liquid. ED club and Department of Business Administration distributed 1000 bottles of dishwashing liquid and Cleaning lotion in flood-affected areas of Kottayam and Pathanamthitta Districts mainly in Ranni, Attikayam, and Kuttanad.

MASK MAKING

The use of masks is part of a comprehensive package of the prevention and control measures that can limit the spread of certain respiratory viral diseases, including COVID-19. In this pandemic situation, the Entrepreneurship development club of MES College Erumely, took an initiative to make and distribute Masks to college students and the public.

ORGANIC FARMING

ORGANIC VEGETABLE HARVESTING

The vegetables that we consume are found to be full of pesticides. So we have already started vegetable cultivation at the campus. We have sowed the seeds of lady's finger, amaranthus, chilly, brinjal and pea etc. The vegetable cultivation on the campus was successful. Most of the plants were fruited.
