**C) DURATION OF MOU**

This MOU shall be valid upon signature by both parties and until agreed upon date, on the understanding that either party is at liberty to terminate it at any time, after furnishing to the other party a written notice of termination two months in advance of the date on which the party furnishing such notice wishes to have the MOU terminated.

Without prejudice to the foregoing, steps shall be taken to ensure that termination of this MOU will not be prejudicial to any activities or programmes undertaken within the framework of the MOU or to the completion of tasks for which binding obligations exist.

This MOU shall be valid for the Period of July 1<sup>st</sup> 2019 to September 30<sup>th</sup> 2019,

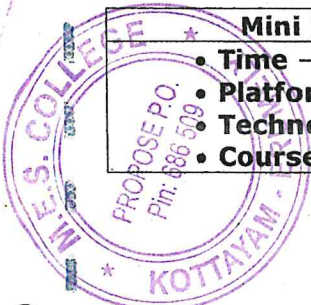

**C) COURSE LAYOUT**

The project training is a program which consists of two phases. The students will be given a theory and practical session in the selected platform during the first phase of the training. During this phase the students can select a project topic and can conduct a study regarding the scope of the topic. The second phase consists of project design and development .During this phase the students will design and develop the project.
