### FIRST WORD

Mahatma Gandhi University introduced the Centralised Allotment Process (CAP) in the academic year 2010-2011. Initially, admissions to PG Programmes alone were managed through CAP, but later it was extended to UG Programmes as well.

The greatest advantage of CAP is that the applicants need to submit only one application online for admission to any number of Colleges/Programmes. In this way, they are able to save valuable time, energy and money. The applicants can also track the status of their applications from time to time. Thus, an excellent opportunity to choose the Programme/College of their choice in a hassle-free manner is open to the applicants. The decisive factors in the allotment for an applicant to a given Programme/College are the options submitted, academic record and other socially determined norms applicable. First of all, the marks /grades secured by a candidate at the +2 level decide the eligibility for admission to UG programmes. Under the Pre-CAP system, the applicants had to visit various institutions for the submission of applications and to keep in contact with them to get updates on the progress of admission procedure. CAP, on the other hand, opened a single window eliminating wastage of time, effort and money, besides minimising the element of anxiety from the point of the applicant.

The **UG CAP -Prospectus - 2022** provides the complete information about the online allotment process, and details of the colleges and programmes.

Above all the CAP team of the University is at a click/call away with technical assistance and guidance to the needy aspirants.

## ATTENTION

**The Prospectuses issued in previous years are not valid for the year 2022.** Candidates are required to go through the current prospectus carefully and acquaint themselves with all the relevant information relating to the admission process. They are also requested to visit the official website of CAP [www.cap.mgu.ac.in](http://www.cap.mgu.ac.in) for notification and announcements.

This Prospectus sets out the rules and regulations for selection and admission to the undergraduate programmes in affiliated arts and science colleges of the University for the academic year 2022 - 23 through Centralised Allotment Process.

**This prospectus is subject to modification/addition/deletion as may be deemed necessary by the University.**

**The whole process of allotment to the UG Programmes will be done by the Mahatma Gandhi University. University will not entertain any request for change of any date fixed in the Centralised Allotment Process/Admission from time to time.**

Candidates and affiliated institutions are also required to visit the website of the Centralised Allotment Process of the Mahatma Gandhi University - '<https://cap.mgu.ac.in>' regularly for notifications and announcements.

## From the Vice Chancellor's Desk

Mahatma Gandhi University, one of the major affiliating universities in Kerala, is the premier educational institution that strives to fulfill the higher educational needs of the people of Central Kerala. Its headquarters is at Priyadarshini Hills, 13 kms off Kottayam and the campus is spread in an area of 110 acres. The University also has satellite campuses in parts of Kottayam and the neighbouring districts. The University was established on 2 October 1983 and has jurisdiction over the revenue districts of Kottayam, Emakulam, Idukki and parts of Pathanamthitta and Alappuzha. Its academic universe consists of 18 University Schools/Departments, 8 Inter-University Centres, 10 Inter School Centres and 264 Affiliated Colleges. The University has achieved tremendous progress in securing a good number of **research and extension projects** under the auspices of national agencies and institutions like UGC, FIST, DRS, ISRO, COSIT, CSIR, DAAD, STEC, ICMR, BARC, MoEF, ICCR, ICHR, IED, IIFT, and the Sahitya Academy. There is considerable advance made in the University's execution of MoUs with research institutions of international reputation. The MoUs entered into with Max Planck Institute of Technology, Germany; Brown University, USA; University of Nantes, France; California Institute of Technology, USA; University of Toronto, Canada; Catholic University, Belgium; Heidelberg University, Germany; and the Institute of Political Studies, Rennes, France, and Jinan University, China are only a few of them. The School of Chemical Sciences and the Centre for Nanoscience and Nanotechnology, which have been active in sending researchers to foreign Universities, have sent the largest number of researchers during the last two years. The number of researchers who visited the University under their MoUs is the highest too. The University is top in the state in bringing the **highest amount of money by way of project grants** in the year 2011 and subsequent years. A major portion of the funds are being brought by the science departments alone.

The **web-enabled University Library** with its large collection of books, journals and e-journals as well as the **Online Thesis Digital Library** that provides open access to its collection of digitalised Ph.D dissertations are some of the notable achievements of the University during the last few years. This is the only University in the country which has made its Doctoral Dissertations Open Source for Worldwide Access. INTUTE has identified the University as the best in the country in putting its knowledge share as Open Source. This has earned the University the **Best Institution of E-Learning Facility Award** instituted by the state Government. Recently, the entry of the University's Publications Department to **knowledge book publishing**, the rejuvenation of various **Chairs in the University Departments**, initiation of the **Campus Area Networking**, development of **ICT supported teaching** (through smart classrooms) etc., have enabled Mahatma Gandhi University to assert and rearticulate its primary function as an important knowledge service provider in the country.

The achievements outlined here have placed the University quite prominently on the national academic map. Today Mahatma Gandhi University is **ranked first in the State, third in South India and thirteenth in the whole nation** by CSIR in terms of the **intellectual productivity of the faculty**. NISTADS has ranked the University **nineteenth in terms of the h-Index of the Science Faculty**. Some of the members of the faculty have very good publications in their areas of specialisation.

DST has ranked the University 8th among the 29 Universities with **DST recognition under PURSE** in the Country. The University has successfully introduced the **Choice Based Credit and Semester System (CBCSS) and Grading System** in the affiliated colleges and the Kerala State Higher Education Council (KSHEC) cites this as constituting a Model for other Universities in the state. Ours is the only University with software autonomy for computer automation and **Campus Area Networking**, and the only affiliating University in the Country with a **Centralized Admission Procedure (CAP)** for admission to both UG and PG Programmes. UGC cites Mahatma Gandhi University as a **national model for New Initiatives**. The University is top in bringing **Nobel Laureates as Scholars-in-Residence** under the Government-sponsored Scheme of ERUDITE. The University has undertaken state level co-ordination of two scholarship schemes introduced by the Government of Kerala, the **ACQUIRE** and **Tanma** for nurturing social science brilliance and literary talent respectively.

University has secured the **prestigious Chancellor's Award for the best University** in the State for the years **2016, 2018 & 2020**. Similarly, University has **obtained 'A' Grade with CGPA 3.24** in the third cycle of NAAC reaccreditation which is highest among the Universities in the State. University has also improved its position from 34<sup>th</sup> rank in 2018 to **30<sup>th</sup> position in 2019 & 2020 in the NIRF ranking** of the Human Resources Development Ministry. The University is **ranked 6<sup>th</sup> in the India Today MRDA ranking of Indian Universities (2019 & 2020)**. Mahatma Gandhi University was placed in Band A (ranked between 6<sup>th</sup> to 25<sup>th</sup> position) in the **ATAL ranking for excellence in innovation** conducted by MHRD.

All the programs offered by Mahatma Gandhi University follow the CSS system with Outcome Based Approach. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. Bench marked with the course of studies of various institutions of repute, our curriculum is extremely contemporary and is a result of brainstorming efforts of great think-tanks: a large number of faculty members, experts from industries and research level organizations. The evaluation mechanism employs continuous assessment with grade point averages. We believe sincerely that it will meet the aspirations of all stakeholders – students, parents and the employers of the graduates and postgraduates of Mahatma Gandhi University.

At Mahatma Gandhi University, research, consultancy and innovation are regarded as our pillars of success. Most of the faculty members of the University are involved in research by attracting funded projects from various funding agencies. The outcome of

the research is passed on to students through live projects from industries. The entrepreneurial zeal of the students is encouraged and nurtured. Our faculty teach students with research as base for teaching and approach towards problem solving ability and societal issues in mind.

Mahatma Gandhi University has introduced structured training programs on soft-skills and preparatory training for competitive examinations are offered to make students more employable and towards 100% placement. The entrepreneurship development activities and establishment of "Business Innovation and Incubation Centre" in the University extend full support to the budding entrepreneurs to nurture their ideas with innovation and creativity and establish an enterprise for knowledge transfer and wealth creation.

The University was selected as one among 16 best universities in the country by MHRD for grant of Rs. 50 crores under RUSA 2.0 scheme. The amount is meant for establishing a business innovation ecosystem and for conducting cutting-edge research in various domains of knowledge.

I strongly believe Mahatma Gandhi University is marching ahead in the right direction, providing a holistic education to the future generation and playing a positive role in nation building. We reiterate our endeavor to provide premium quality education accessible to all and an environment for the growth of over-all personality development leading to generating "Global Professionals".

We provide our students with excellent learning and placement in Indian and global industries. All aspiring students are invited to experience the difference of a visionary University, its world-class research and academic environment, hi-tech laboratories and classroom facilities.

I look forward to welcoming you to Mahatma Gandhi University
