

Report of the Minority Cell during the Academic Year 2020-21

Minority cell of the college was established with the purpose of empowering the minority communities in the college. As a Muslim Minority Educational Institution, MES College Erumely has been very much keen to provide services to the educational and cultural needs of the Minority community. The Minority Cell basically helps minority students including Christian, Muslim etc. and other linguistic minorities for their academic development.

A meeting conducted at the start of this year with the principal. The Convener conveyed the aims and objectives of the Cell. The Cell discussed an action plan for the academic year and members were selected. The Cell gave necessary information to the office staff regarding the minority students.

The Meetings were conducted throughout the year with committee members and chairman for successful implementation of Schemes and activity. In the academic year 2017-18 total 223 students enrolled under the minority scheme.

Minority cell of MES College Erumely lead the way to participate students in AMP NATIONAL TALENT SEARCH 2020 to the first year Undergraduate Students.

Minority Cell conducted an awareness class “Minority welfare scheme” for the minority community in our college on 3rd July 2021. The Speaker of the webinar was Dr. HAZEENA V.N, Principal of Coaching Center for Minority Youth, Ernakulam. More than hundreds of Students participated from the Minority community of MES College Erumely from various departments. The department level coordinators support and participation were priceless.

Minority Welfare Scheme Webinar

We conducted a webinar on the topic of minority welfare scheme in association with CDC. This awareness session covered a range of topics, including minority welfare schemes under the state and central Govt., specifically the grants and scholarships for their academic developments. There are ample opportunities for minority students, providing concessional finance support for their academic activities and to eligible beneficiaries belonging to minority communities

A demo session was held on the previous day (02/07/2021) with the technical team before the Live session to avoid any flaws during the actual sessions. We welcomed key speakers from various positions to share their expertise with the audience. We ran the events for more than 100 participants.
