Department of Electronics

Video
Art Gallery
Exhibition
Still Model
Games etc..

The event commenced with a formal inauguration by Ms. Shamlabeegom, Vice Principal of this college followed by an exhibition of antique radios, working models of radio transmitter and receiver, still model of radio station and a number of gaming circuits. The valve radio is the main attraction of the exhibition.

The program also includes a video presentation of the theme and the working of a radio station in detail.

The exhibition and presentation offered the students of other departments an opportunity to understand the electronics and technology behind the radio.

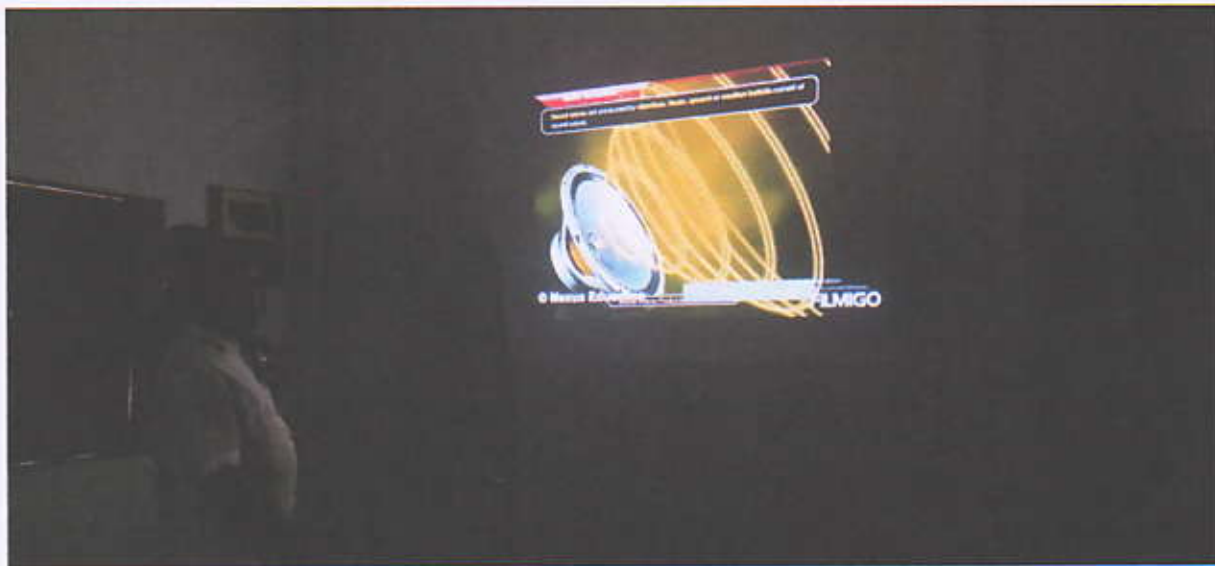

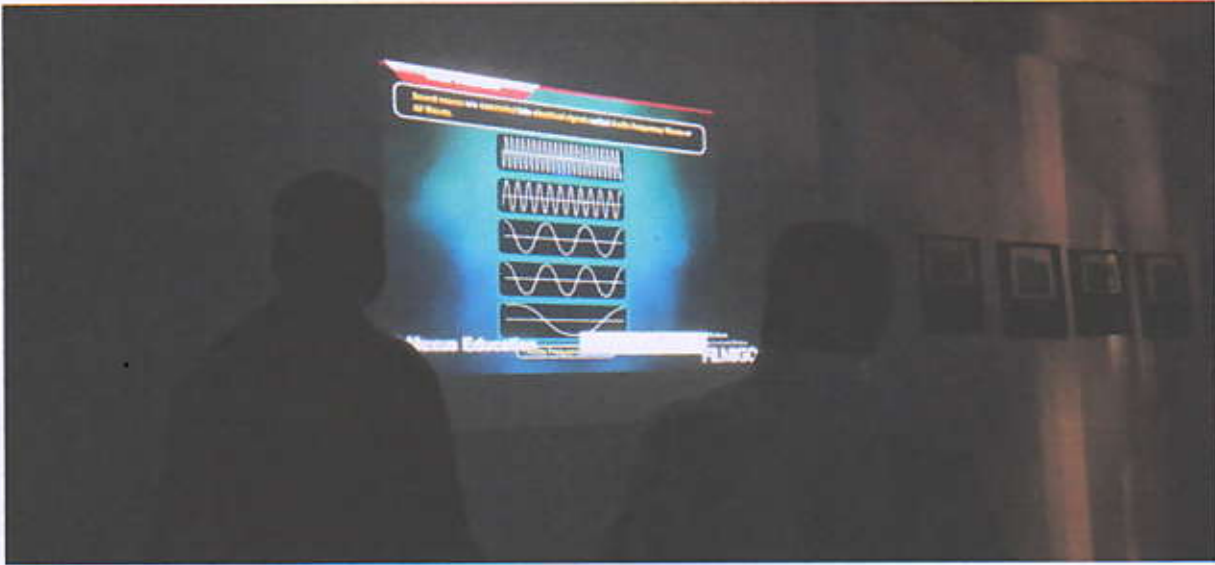

Prof. (Dr.) ANIL KUMAR S.
PRINCIPAL
MES COLLEGE ERUMELY

Radio day is a great opportunity to remember what the world was like before whatever music we wanted was at our finger tips. Radio is an important medium to celebrate humanity in all its diversity and provides a platform for democratic discourse.
