## Independence Day Celebration

It was started with flag hosting by College Principal Mr. Maheen M. N., before that a Parade was held by NSS volunteers and Independence Day messages were also provided.

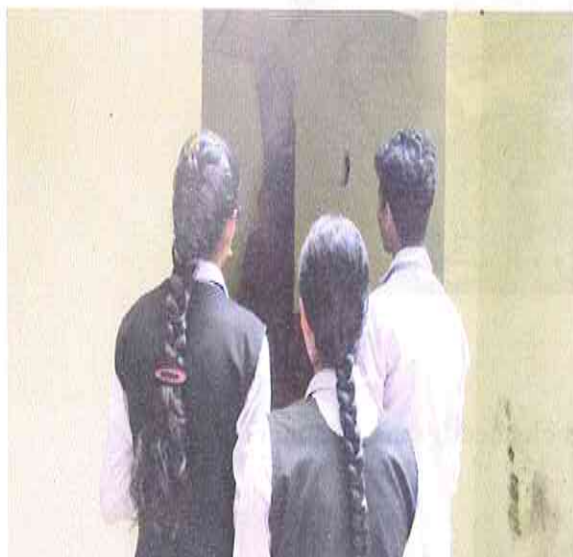

## Swatch Bharath Summer Internship

In November 2018 30 NSS volunteers were registered in the Swachh Bharat Internship Programme. Under this programme various cleaning and awareness programmes were conducted. About 100 hours are worked by volunteers in connection with Swatch Bharath.

### 1. Survey

The three groups, each among 10 volunteers under a leader conduct survey in Erumely Panchayat. They provide information regarding cleaning and actively participated

### 2. Public Place cleaning

The registered volunteers are divided into 3 groups. They cleaned public places in the Erumely Panchayath.

### 3. Public Toilet Cleaning

The Public Toilet of Govt. Hospital Erumely was cleaned by the volunteers.

### 4. Flash mob

The volunteers conducted a flash mob in connection with Swachh Bharat Internship for giving a message to the society about cleanliness and importance of health.

On November 12<sup>th</sup>, 13<sup>th</sup> and 14<sup>th</sup> 2018 the NSS volunteers namely Aneena Shibu (BBA II Year) and Anjala Khan (BCom Finance & Taxation ) attended "Madhyama Silpasala Camp at DB College Keezhoor.

On November 13<sup>th</sup> 2018 Honey Elsa Mathew(BCom Finance & Tax Ist Year) participated in "Paristhithi Souhruda Ulpana Nirmana Pariseelana Camp at SB College Changanassery.

ArunKumar K P (BCom Marketing ) and Sona Sunil (BCom CA) were attended NSS Pre-RD Selection Camp conducted by Mahatma Gandhi University on Saturday 20<sup>th</sup> October 2018 from 9.30 am at BK College Amalagiri, Kottayam.

On 14<sup>th</sup> November 10 NSS Volunteers of this Unit were appointed as Special Police in connection with Sabarimala Special duties.

### Seven Day Camp – SUKRUTHAM 2018

The programme "Green Campus Clean Campus" envisaged by the Kerala Govt. Project Suchitwa Mission, was successfully completed by the NSS Unit of MES College Erumely.

As part of this project the Edakadathy Village adoption was declared on November 1<sup>st</sup> 2018 by the Erumely Grama Panchayath President Mr. T.S. Krishnakumar in the presence of the college Principal Mr. M.N. Maheen, and the programme officers. Thereafter the same village was selected as the campsite for the seven day NSS Camp named 'SUKRUTHAM – 2018'.

An organizing committee was also formed incorporating the villagers for the same. The above mentioned committee comprised the Panchayath President Mr. T.S Krishnakumar ward member Mr. Sojan Scaria and College Principal Mr. M.N. Maheen as conveners, villages such as Mr. Shaji Joseph, Mr. N.K. Babu, Mr. Biju and Mr. Sreejith and programme officers as members.

The survey conducted on the first day by the NSS volunteers of the 50 houses of the village conveyed the ideal "Green Village Clean Village". A seminar was conducted by providing a thorough awareness regarding Bio-compost and waste management to the volunteers, who later conveyed this to the villages.

Following the flood most of the houses of the village seemed useless and filled with mud. The NSS volunteers cleaned those houses and repaired them to rehabilitate. The plastic waste was collected and removed from the rivers. After cleaning a board imprinted 'Don't Deposit Waste Here' was also set up there.

The camp was visited and evaluated by the NSS co-ordinator of the Mahatma Gandhi University, Kottayam Mr. Mathew M.J. He expressed his approval that the efforts of the seven day camp was superb and it was really a grand success of the NSS Unit.

The public ground of the village was turned useless because of the flood. The NSS unit with great effort removed the mud and soil from there and planted saplings of fruit trees on the margin of the ground. This is an effort of the NSS unit deserving appraisal for highlighting the motto of Green Village Clean Village. The NSS unit deposited 20 Waste Bin at 10 points in the campus aiming to separate the waste as Biodegradable and Non biodegradable for the purpose of making bio-compost. Three pits were dug at College Canteen, Men hostel and Ladies Hostel for implementing the plan.

Farming of Tapioca, medicinal plants and vegetables were also successfully done at the four plots granted by the college management.

With the programme such as water source preservation, cleaning of streams and rivers, flood relief activities, various kinds of awareness classes and seminars, Farming, planting of saplings, organic waste management and compost are part of the seven day camp called SUKRUTHAM 2018 which successfully came to a close.
