

MES COLLEGE ERUMELY

NATIONAL SCIENCE DAY 2019

CELEBRATION REPORT

The MES College Erumely, Department of electronics and Electronics Association organised the intercollegiate science day celebration “INNOWIZ 2K19” on 11th and 12th February 2019. The national science day celebration was the second major program of the association in this year. The program includes various science related activities like Seminar, Degree level Quiz competition (ACERTIJO) and Technical Exhibition (PROYELTO), which all are conducted and managed by the B. Sc Electronics and M.Sc Electronics students of the department.

The function started with a meeting on 9.30 am presided by Ms. Jisha C.K., Head of the Department, Department of Electronics. The chief guest and resource person was Mr. Sreejith S., CEO and Managing Director, Ebeelabz, Eranakulam. The coordinator Mr. Jais John delivered the welcome speech and student coordinator Mr. Akhil Krishna given the vote of thanks.

After the function Mr. Sreejith S. delivered a seminar on “ Future of Automation in Real Life”. It given an idea of Robotics and automation relayed applications in current scenario. More than 50 students from various colleges actively participated in this seminar.

ACERTIJO (Degree Level Quiz)

Electronics association conducted quiz competition for degree level students. The students from 16 colleges (18 teams) participated in this event. The preliminary round was a written test which contains 20 multiple choice questions. Four out of Eighteen teams were selected for the next round. This was oral round and it contains around 140 questions in 7 sections. The teams that enter into final were St. Alosious College Edathva, St. Thomas college Pala, St. Thomas College Ranni and Sree Sabareesa College Murikkumvayal. The first prize Rs. 5000/- and certificate are won by St. Thomas College Pala and the second prize Rs. 3000/- and certificates are won by St. Thomas

College Ranni. The certificates are distributed to third and fourth place teams. We are thankful to all the participants of the quiz competition.

PROYELTO (Technical Expo)

The electronics association also conducted a technical exhibition for college students and also for the public on both days. The major attraction was the demo of Raman's spectroscopy, which is designed and explained by our P.G. students. The other attractions were Tracking Robot, Mini RADAR, Data transfer using light, Rotating Live Display, Automated traffic light etc. All the students was part of the technical event with one or two projects designed by themselves. Many publics from near by areas were also part of this exhibition. There feedbacks were very impressive, because they all are from very rural areas near to our college and all the ideas were informative to them.

We are thankful to our Principal Mr. Maheen M.N., who gave us heartfelt advice and support to conduct the National Science Day 2019 celebration in a successful and informative manner. We also thankful to Kerala State Council for Science, Technology and Environment and DST to provide a financial support for conducting the National Science Day celebration in our college.

The Department of Electronics of MES college Erumely, along with the management and principal is delighted to submit this report on National Science Day 2019 celebration "INNOWIZ 2K19" to Kerala State Council for Science, Technology and Environment and DST for the approval.
