### EARTHLINGS 2021

#### Green Exhibition

Nature and Bhoomitra Sena Club, MES College Erumely, in association with CDC and IQAC, organised an inter-departmental exhibition competition, Earthlings 2021 on 21 st December 2021. The green exhibition was inaugurated by Mr. George John, HOD Department of English. The presidential address was given by Mrs. Darly A. G, Director CDC. The event was splendid with the presence of Mr. Al Ameen J, Coordinator Nature and Bhoomitra Sena Club, who did the welcome speech and all the Head of the Departments felicitated the event. Bincy Raj B.R Then at 11 AM, the green exhibition was inaugurated at the Department level by the Head of each Department.

The Environment concerns connect us to the world around us, teaching us about both natural and built environments. It raises awareness of issues impacting the environment upon which we all depend, as well as actions we can take to improve and sustain it. With the help of some nonacademic activities such as seminars, awareness classes, exhibitions can bring the awareness about nature to the students. Environmental awareness is an incredibly important part of our lives. In order to protect the sustainability of the planet, everyone needs to commit to becoming more environmentally aware. As we are all responsible for damaging the environment, it is important for everyone to improve their environmental awareness. It is especially imperative to teach students about the importance of environmental awareness, to ensure that the lives of future generations are secure. In Order to this broader concept, Nature club and Bhoomitra Sena Club conducted the green exhibition. Each department had the opportunity to choose one given topic for the exhibition, Amazon rainforest, Energy management, Kerala flood, natural calamities, eco-tourism, water bodies, green economics, Nature in literature, expression of nature, waste management, environment and technology were the provided topics for the exhibition. The exhibition started at 9.30 am in the morning.

Rooms were arranged for the exhibition for all departments. Instructions were already given to all the departments. There were 4 Faculties for sentencing. All the departments were arranged within the allotted time and the evaluation of the exhibition started from around 12 noon. Students were also given the opportunity to visit the exhibition stalls. The interdepartmental competition held at the college received excellent cooperation and encouragement from the students and faculties. The Department of Social Work organised a stall called Majestic portraying the theme "Expressions of nature" and got the first prize. The second prize was achieved by the Department of Electronics for their stall, Griha, based on the subject Green economics. Department of Business management got the third prize for their stall named Amfora based on the topic Amazon rainforest. The exhibition had made a wide impact among the students and faculties.
