QUIZ COMPETITION

The department of Electronics MES College, Erumely organized an intercollegiate quiz competition for plus two and degree students with the help of IQAC on 9th and 10th January 2020 as a part of celebrating 150th birth anniversary of Mahatma Gandhi. In the two day programme, first day was scheduled for plus two students and the second day for degree students.

FIRST DAY (BRAIN STORM)

The first day programme started at 10:30 am with an inaugural function at seminar hall. Mrs Jisha C K, HOD, Department of Electronics delivered a welcome speech in which she introduced our Principal Mr. Maheen M N, chairman Jn. P H Najeeb and Mr. Krishna Raj, the quiz master of this contest. Our Principal in his key note address explained the needs to follow Gandhian path.

The first day of Brainstorm was scheduled for higher secondary students. 8 teams from different schools participated in the first round. Then 6 teams of two students were selected for the final round. There were 10 rounds. Each round included culture, history, science and current affairs. The quiz was truly a learning experience for both the audience and the participants.

The round finally came to a close with Navodhaya Vidyalaya, Vechoochira. The 1st runner up was St. Dominics HSS, Kanjirappally, second runner up was SNDP HSS Venkurinji. The winners were given certificates and cash prizes (1st prize Rs. 3000 and 2nd prize Rs. 2000) by Jn. P H Najeeb sir in the closing ceremony. To bring the programme to a close Mrs Sumayya P A, Associate Prof. Department of Electronics gave a small speech and thanked all the participants, teachers and audience for joining us in this quiz contest and making it a great success.

SECOND DAY (ACERTIJO)

The second day of quiz contest was organized for degree students. The contest started at 10:30 am. After the first round, 6 teams out of 20 teams of 2 students were selected for the final round. There were 10 rounds in the final included history, science, language and culture, current affairs and a visual round. Our quiz master explained every detail of each questions and shared some stories with us. In the end St. Thomas College, Ranny bagged the first prize and St. Antony's College, Peruvanthanam got the second position. The second runner up was Viswabrahmina College, Vechoochira.

Closing ceremony was started at 2 pm. In that, Principal and Chairman appreciated our effort for conducting such a contest. The certificates and cash prizes (1st prize Rs. 3000 and 2nd prize Rs. 2000) were given by our chairman Jn. P H Najeeb sir. The contest was concluded with the vote of thanks by Mr Jais John, Associate Prof. Department of Electronics.

JISDA C.C.
Head of the Department
Department of Electronics
M. E. S. College Erumely

About the College

MES college Erumely is a first grade unaided Arts and Science college under the Muslim Educational Society and affiliated to M.G. University Kottayam. The college was established in 1995 with an objective to impart job oriented degree courses to the students in the socially and economically backward areas around Erumely, so as to enable them to cope with the scientific and technological advancement of the contemporary society.

About the Department

The department of Electronics was established in 1995. We provide education in Electronics at the graduate and post graduate level as per the curriculum of M. G. University at a low cost. We enhance the competency of the students in the faculties of professional and practical knowledge to suit the requirements of the current employment market. We also aim to develop managerial, communication skills, leadership and team building talents through seminars, projects, industry familiarization & interactions with eminent professionals in the fields and other programs of electronics. Over the past many years several of our students have secured various position in the M.G. University. Some of them include, a 1st rank in B.Sc. Electronics in the year 2009, a 1st & a 2nd rank in M.Sc. Electronics in the year 2017.

Placement

The placement and training cell of this college acts as an interface between the students and industries and is dedicated to help the students towards their campus placement and industrial training. The campus placement activities are regularly carried out every year for all the students of the department.
