Percentage	57.01	37.03	36.39	22.9	21.38

2018- 2022 Results

Action Taken

The covid pandemic had adversely hit our education sector. During the pandemic period the overall academic performance of students had also gone down. During this period our college conducts online classes. As our students are mainly from rural areas, poor internet connectivity was a major problem. Students are unable to attend classes due to poor internet connection.

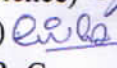

Instructions are given to all HoDs to take remedial measures to improve the academic results.

- It is advised to conduct regular module wise test papers for all subjects.
- It is decided to conduct revision classes before each semester exams.
- To improve the quality of academic projects of students, it is decided to organise orientation classes before the commencement of project works.
- All departments are instructed to maintain proper attendance to improve the results.
- To strengthen the mentor - mentee system to analyse the problems of students.
